LIVING WITH DIGNITY

We offer safe care options for those living with Dementia!

>

What is Alzheimer

Alzheimer's is not normal aging and it is the most common type of dementia. The symptoms of Alzheimer's disease develop slowly and worsen over time. It is incurable and terminal.

What is Dementia

The word "dementia" is an umbrella term for anything that can cause issues with brain and mind functioning such as confusion, memory loss, or other loss of problem solving ability...

The screenshot shows a web browser displaying the Holiday Inn Manali website. The browser's address bar shows the URL <http://www.72interactive.com/portfolio/portfolio.html>. The website features the Holiday Inn logo and contact information: "Calling from India 011 4570 0000" and "Calling from outside India: +91 11 4570 0000". A navigation menu includes links for Home, Hotel, Accommodation, Dining & Entertainment, Meetings, Facilities, Manali, Promotions, Reservation, and Contact us. A large banner image shows the resort building at night with the text "WELCOME TO HOLIDAY INN MANALI". Below the banner, there is a "Welcome to Holiday Inn Manali!!" section with a "Know More" button. To the right, there is a "Quick Reservation" form with fields for Arrival date, Night, Adults, Children, Name, Email, and Country, and a "Book Now" button. A small image of a dining table is also visible with the text "EXCITING PACKAGES TO COMPLIMENT YOUR HOLIDAY".
